By Keagan Smith

Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. Cafe Racer has two meanings because it can denote a type of a motorcycle, or a person who rides on the bike, the motorcyclist. The two meanings date back to the 1960s in the Rockers group, which was a British Counterculture organization. It can also be referred to as the Ton up Club. The group was predominantly established in Britain but it was common too in Germany, Italy and some other European nations. The Rockers were a defiant group of young counterculture men, who were hungry for speed, and hence they had to derive a way to customize motorbikes to fit the speed they wanted. The distinctive bikes were meant to travel from one transport cafe to another on the arterial motorways that interlinked British cities and towns. The motive of redesigning a standard motorbike to fit the specifications of a Cafe Racer was to attain a speed of 11 miles per hour, which was referred to as the ton . The rockers would take challenges of record-racing , where a rider would ride from a cafe to...
