*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Time is perhaps the most precious and highly coveted resource at our disposal. Yet spiritual teacher Howard Falco has encountered hundreds of people whose limited notions of time have been the primary cause of suffering and disempowerment in their lives. This book shows readers how adjusting their perspective on time will empower them to realize their greatest hopes and dreams. Whether you desire greater abundance, better health, or more meaningful relationships, you have the power to collapse time, thereby actualizing your intentions faster than you ever imagined possible. Falco shows how personal awareness, thought patterns, feelings, and actions affect when our dreams become a reality. By broadening our understanding of time, we open the doors to an ocean of possibility. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
