Martingale. 1 Paperback(s), 2005. soft. Book Condition: New. You too can quickly and easily create quilt blocks that are full of motion and sparkle, says Martha Thompson. In 1995 she published the original edition of Square Dance, explaining how to make odd-angle pinwheel blocks without fussy cutting and piecing, and followed it up with Start with Squares. Here she combines the best of both books into this revised edition, showing step by step how to sew a grid of squares, cut the grid apart, and stitch the pieces together again for eye-catching results. Choose from 11 projects including tessellating pinwheels, kissing links, hand-in-hand chains, and mountain trails with color photos and diagrams throughout. 80.
