BASICS OF REMOTE SENSING AND GIS

Laxmi Publications Pvt. Ltd, 2005. Softcover. Book Condition: New. First edition. The intention of the author in bringing out this book is to make easy the subject and to increase the student's ability/capacity in facing the exam. This is a first venture to bring out a book on remote sensing through short answers. Here all efforts have been made to cover each and every line of the syllabys. There are also short questions, which are answered. The book is easy...
