City Sense and City Design: Writings and Projects of Kevin Lynch

By Kevin Lynch, Tridib Banerjee, Michael Southworth

MIT Press Ltd. Paperback. Book Condition: new. BRAND NEW, City Sense and City Design: Writings and Projects of Kevin Lynch, Kevin Lynch, Tridib Banerjee, Michael Southworth, Kevin Lynch's books are the classic underpinnings of modern urban planning and design, yet they are only a part of his rich legacy of ideas about human purposes and values in built form. City Sense and City Design brings together Lynch's remaining work, including professional design and planning projects that show how he translated many of his ideas and theories into practice. An invaluable sourcebook of design knowledge, City Sense and City Design completes the record of one of the foremost environmental design theorists of our time and leads to a deeper understanding of his distinctively humanistic philosophy.The editors, both former students of Lynch, provide a cogent summary of his career and of the role he played in shaping and transforming the American urban design profession during the 1950s, the 1960s, and the 1970s. Each of the seven thematic groupings of writings and projects that follow begins with a short introduction explaining their content and their background.The essays in part I focus on the premises of Lynch's work: his novel reading of large-scale built...
