Filesize: 6.9 MB

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

Montag Press, United States, 2013. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Fiction. Young Adult. Spring break gets wild on the liveliest cruise in the Pacific until the undead crash the party. Eighteen- year-old Sylva Fleischer and her friends raise the dead for a living for police investigations and mourning families. Two years after her high school crush, a hot guy named Brandon, is assumed dead, Sylva s friends convince her to go on a spring break cruise in an effort to suppress her depression over him. But when passengers mysteriously die and reanimate into flesheating zombies like she s never seen before, Sylva plunges into a horrifying struggle between a ship infested with the undead and the scariest thing of all: a second chance with Brandon after she discovers he s still alive. This is a zombie story that eats right to the core and leaves you licking your chops for more. Got zombies? [Ace] wastes no time immersing us in full, gore-spattered, Technicolor horror. The tension is almost unbearable. Leslie Ann Moore Ace should never write a non-zombie book again. As one Aussie likes to say, this is a ripping yarn. Ken Hughes.
