Reviews

*This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.

Citadel Press, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. One of Dan Brown's greatest accomplishments as a writer is his uncanny ability to blur the line between fact and fiction. Now, with The Unauthorized Dan Brown Companion, readers will at last have all the information needed to distinguish for themselves between the inventions of a master storyteller and the historical revelations of a first-rate investigator. Unlike the avalanche of books specifically about The Da Vinci Code, The Unauthorized Dan Brown Companion covers all of Dan Brown's books and has no religious agenda or political axe to grind--these are the facts, exploring: - Could there actually be an unbreakable code that would cripple US intelligence, as in Digital Fortress? - Are the Illuminati from Angels and Demons really alive and well? - How much truth lies in The Da Vinci Code's history-altering propositions that have so angered the Vatican?.
