Forgotten Books, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Catalog of Literature for Advisers of Young Women and Girls: An Annotated List of About Two Thousand Titles of the Most Representative and Useful Books and Periodical Articles Literature is also included on dormitory arrangement and equipment, cafeteria management, etc., for the use of those having the management of residence halls or where student or other housing movements are being considered or are in progress. Deans and Advisers of Women and other users of the catalog who are called upon to address young women frequently will find many books and periodical articles listed for this special purpose, some of which are included because of their richness in effective illustrations and some because of the author s reputation for expressing things incisively and effectively. Although great pains have been taken to include all the desirable material in this collection, the compiler feels reasonably certain that some excellent material has not been discovered. Users of the catalog are therefore urged to forward to her suggestions of other pertinent material which can be incorporated in a later edition. The following sources among others have been consulted - the catalogs of the Library of Congress, of the New York Public Library, of the New York State Library, of the American Library Association, and of many publishers; the Cumulative Book Index, the Book Review Digest, the Readers Guide to Periodical Literature; and wherever available, special bibliographies bearing upon the subjects treated. The prices have been taken in the main from the Publisher s Trade List Annual of 1920. A few out-of-print books have been listed and those have been marked o. p. Under present conditions prices of books...
