Writing prompts are used by writers when they can't think of anything to write about, otherwise known as writer's block. For a writer there is nothing worse than writer's block. The way you use this little handy e-book full of story starters, subjects, and word prompts, is to scroll down the list until something catches your eye and sparks your imagination. That's the prompt you should use. Mix and match word prompts, story starters, and anything else you can think of to help you. All writers use prompts of some kind, such as sentences, words, and even pictures. So remember to keep this little ebook handy and use it whenever you're writing and you need a quick idea, a new twist to a story, or a prompt to help you create a story or nudge you out of your writer's block. 2013.
