Excerpt: . . . a private residence cannot be licensed for the sale of oleomargarine. Unless the applicant for a license has a business stand and is willing to enter the business in good faith as far as may be determined by the application, no license can be issued. In former years, certain private houses, stables, etc., were designated as business places, while in reality, the licensees were solely engaged as peddlers, contrary to law. This practice has been stopped, and the legitimate dealer now reaps the benefit of an increased trade. NATIONAL OLEOMARGARINE ACT DEFECTTVE. The National Oleomargarine Act is defective in a number of important particulars, and the dairy interests of the State have combined in an effort to secure the much needed changes. Whether Congress will make the same during the present session is at least problematical. Pennsylvanias representatives understand the situation and will...

Reviews

It is one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be the greatest pdf for ever.

-- Dr. Anya McKenzie

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
