Improving collaboration and health resource sharing between the Department of Veterans Affairs (VA) and the Department of Defense (DOD) has been the focus of numerous efforts by Congress and the executive branch for more than two decades. In 1982, Congress passed the Veterans Administration and Department of Defense Health Resources Sharing and Emergency Operations Act (Sharing Act), which authorized VA and DOD health care facilities to partner and enter into sharing agreements to buy, sell, and barter medical and support services. Since then, Congress has passed additional legislation to continue to promote VA and DOD health resource sharing. However, in previous work we have pointed out continuing barriers to such efforts, including incompatible computer systems that affect the exchange of patient health information, inconsistent reimbursement and budgeting policies, and burdensome processes for approving agreements between the departments. On May 28, 2001, the President established the 15-member Presidents Task Force to Improve Health Care Delivery for Our Nations Veterans. The task forces mission was to identify ways to improve coordination and sharing between VA and DOD in order to improve health care...

### Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*
