*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Excerpt from The Fifth Gospel The mass of facts concerning Christ's life which Paul has contributed to the general gospel will surprise every Bible student who sees it compiled for the first time. In historical comprehensiveness and value it compares well with any of the four others, and fully justifies his claim to have a fifth Gospel. Chronologically, indeed, much of it was written first, and all of it completed long before John's. We have here simply set it all in order after the example of Luke, dealing with the substance of apostolic preaching and belief as he knew it. Or, in his words by the Revised Version, we have taken in hand to draw up a narrative concerning those matters which were the basis of Paul's preaching and teaching.
