CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 568 pages. Dimensions: 11.0in. x 8.5in. x 1.3in. The Health Resources and Services Administration (HRSA), HIV/AIDS Bureau (HAB), Division of Service Systems (DSS), is pleased to offer this manual to Ryan White CARE Act Title II grantees and planning bodies. This publication replaces the Ryan White CARE Act Title II Manual that was distributed after the CARE Act was first reauthorized in 1996. On October 20, 2000 Public Law 106-345, reauthorized the Ryan White CARE Act for a second time, with provisions that affect all CARE Act programs. This manual has incorporated all new provisions affecting the Title II program. This manual is intended for the use of grantees, planning bodies and people living with HIV disease. However, we encourage you to share it with colleagues and peers involved in all aspects of the Ryan White Title I program in your area. The manual is designed to encourage local photocopying and distribution: each section has its own cover and chapters that deal with specific topics in depth. Each section, and chapters within them, can be copied and circulated as standalone documents. This manual contains nine sections. Section One, General Information, contains information that is useful to all readers, such as an overview of the CARE Act, CARE Act 2000 legislation, summary of changes to the Title II program, a description of DSS, and an overview of technical assistance for grantees and planning bodies. Section Two, Grants Administration, includes updated information on local administration of the CARE Act as well as guidance on Maintenance of Effort. Section Three, Reporting Requirements, is new for this manual and provides in-depth history and instructions on reports that HABDSS requires of grantees, including allocations reports; budgeting, contracting, and fiscal reports; Minority...
