*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Ex ovo omnia When you left Britain with your legion, my dear Crassus, I promised that I would write to you from time to time when a messenger chanced to be going to Rome, and keep you informed as to anything of interest which might occur in this country. Personally, I am very glad that I remained behind when the troops and so many of our citizens left, for though the living is rough and the climate is infernal, still by dint of the three voyages which I have made for amber to the Baltic, and the excellent prices which I obtained for it here, I shall soon be in a position to retire, and to spend my old age under my own fig tree, or even perhaps to buy a small villa at Baiae or Posuoli, where I could get a good sun-bath after the continued fogs of this accursed island.
