Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, The Other Half of Me, Morgan McCarthy, Jonathan and Theo's childhood is one in which money is abundant but nurture is scarce. With a father who died when they were very young and a mother who starts drinking at lunchtime, the brother and sister are largely left to roam around their sprawling estate in rural Wales, looking after only themselves and each other. Until, that is, their grandmother Eve returns to the family home. Eve is a figure who is as enchanting as she is forbidding, and she takes the children under her wing, answering their questions about their family history that have always been ignored. Yet as they grow older, they discover that much of what they've been told is a fiction, and that something very sinister lies in their past.
