Following God: First Steps for the New Christian is all about having a firm foundation for our walk with the Lord. This study takes believers through the kinds of topics that will be relevant the rest of their Christian lives. These are the kinds of practical issues that we apply on a consistent, day-in and day-out basis in our relationship with Christ. In John 15: 7-8 Jesus said that we could prove to be disciples if we abide in Him, His words abide in us, we ask and He answers, we glorify God, and we bear much fruit. Paul said that three things would last: faith, hope and love. Using these two Biblical guidelines, the book covers each of those key areas of the Christian life. For example, two weeks are spent on abiding in Christ. The first week focuses on how to abide, and the second on dealing with sin to get back to abiding. In addressing having His words abiding in us, one week teaches Bible study methods. This is followed by a lesson on personal devotions, which bridges between His words abiding in us and the next topic in Jesus list - prayer. The goal is that by the time someone finishes this book, they have the practical tools to keep growing and maturing as a Christian. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
