The girls take it in turns to tell their story, with many interruptions and disagreements along the way! Determined to get their final star and become fully qualified Stargirls, they set about mastering the growing/shrinking spell. But during their Stargirl mission - to help save Christmas for a family without much money - they realise they've made a mistake and that the person who really needs cheering up is a young girl who seems to have everything. With the help of their friends in Team Starlight, they succeed in making her happier, along with everyone else at the Cuckoo Clock Grotto in their local shopping centre. It features longer extent than the first six Stargirl Academy stories, with extra foil to give a festive, gifty appearance; major marketing campaign and website to promote series. By the author of the hugely successful Tiara Club series. It includes popular themes of friendship and magic in a school setting. It contains fresh, lively and funny line drawings by Joanne Davies.
