Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Contrary to the common belief, TAOISM - not a Religion or Philosophy - is really an Attitude Approach in Life by understanding experiencing our own Life (Our Real Being) accepting as it is without any conflicts confusions. It is better that, we don t try to define what Taoism is, rather let s live our Life in its simplest easiest way. Taoism, also known as Daoism, is about TAO - the way, the path, the Universal Life Principle - by which everything is interconnected moves into a unified field. Many a time - it seems difficult to explain Taoism - as it deals with the subtle basic principles of Life. Taoism is a traditional system which originated in China about 2000 years ago is followed in many parts of the World. In a World of Duality - Taoism explains shows the Path to the unity of opposites (Yin Yang) - Male Female, Dark Light, Positive Negative, Hot Cold, Happiness Unhappiness and the like states in Life. Taoism emphasizes that the above Experiences should be complementary to each other...
