Brand New Book ***** Print on Demand *****.More than 10 million adults have been adopted or fostered in their childhood. Along with spiraling increases in adoptions comes a growing need to disclose the significant flaws in adoption laws that open the doors to fraud, manipulation, and abuse of the system. AMELIA is the first book to explore this dark side of the adoption process through the true story of one couple's journey through hell. Called the most difficult adoption in U.S. history by adoption experts, the book appeals to nearly all families (traditional and non-traditional) interested in adoption, foster parenting, or surrogacy. An amazing book filled with tips, advice, and eye-opening first-hand accounts, this is one feel-good story that serves an important purpose and fills a critical gap in adoption literature. - D. J.
