## OUR VOICES: ESSAYS IN CULTURE, ETHNICITY, AND COMMUNICATION (PAPERBACK)

Oxford University Press Inc, United States, 2015. Paperback. Book Condition: New. 6th. 231 x 190 mm. Language: English . Brand New Book. Our Voices: Essays in Culture, Ethnicity, and Communication examines intercultural communication through an array of cultural and personal perspectives, with each of its contributors writing a first-person account of his or her experiences in the real world. While most readers are collections of scholarly essays that describe intercultural communication, Our Voices presents short, student-oriented readings chosen with an eye toward engaging the reader. Collectively, the readings tackle the key areas of communication-rhetoric, mass communication, and interpersonal communication-using a uniquely expansive and humanist perspective that provides a voice to otherwise marginalized members of society. Praised by students for its abundance of short, first-person narratives, Our Voices traverses topics as diverse as queer identity, racial discourse, and codes of communication in nontraditional families.
