Make no mistake; aging in America is warfare. Families suffer, lives are lost prematurely, and incomes are under siege. - Sharon Sebastian, Author As a guerilla journalist, Sharon Sebastian has written a revealing and explosive book that is blunt, unwavering and authentic with shocking insight and information about aging in America that every reader must know. The book, AGING: WARNING - Navigating Life's Medical, Mental Financial Minefields, is an unrelenting, take-no-prisoners expose about the malfeasance of both government and the elder care megalopoly. When it comes to families, our aging population and our veterans, no one should attempt to maneuver through the minefields of the medical and elder care industries without being armed with this book. Sebastian warns, Families need to know what they don't know. While alerting readers to the pitfalls of aging that are being imposed by a profit-driven care industry and lax State and Federal governments, the author builds the case and the argument that once again in America's history, in regard to how we treat our...
