

## Robert Frost

---

By Gary D. Schmidt, Henri Sorensen

Sterling Juvenile. Paperback. Book Condition: new. BRAND NEW, Robert Frost, Gary D. Schmidt, Henri Sorensen, This collation of 25 poems introduce Robert Frost to young people. The selections are arranged by the seasons and Sorensen's handsome watercolour illustrations capture the feel of the New England landscape without in any way trying to provide literal images for the poetry. There's an excellent biographical essay and, at the bottom of each page, Schmidt provides a brief note on some of the possible ways to read the lines. These nature poems show that poetry holds feelings and ideas that everyone can understand.
