What is it really like to be attacked by witchcraft? Witchcraft and occult rituals are practiced worldwide, yet most people believe that spells, demons, and possessions belong only in the movies and late night horror stories. But when evil reaches out and touches one woman's life, she learns that the things that go bump in the night are sometimes very real. To my child's mind, I had divided everything into two categories. It was either good or bad, black or white, this or that. Ah, but then I grew up and learned all the subtle shades of gray. In this fascinating yet disturbing true story of the evil of spellwork, you'll discover the inner workings of the spiritual realm as she finds herself fighting an evil that threatens her and her family. Learn firsthand what it is like to battle the unseen and to overcome evil intentions. Jolene is not only about the existence of evil and what it can do—it is also about the existence of good and the ultimate power of love. Find out what happens to this lively family when a wicked woman pays a voodoo practitioner and an evil witch to try and break apart her marriage.
