Reviews

It is a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

SIMON SCHUSTER, United States, 1999. Paperback. Book Condition: New. Television tie-in edition. 231 x 155 mm. Language: English . Brand New Book. For the first time in #1 New York Times bestselling author Stephen King's remarkable publishing history, the Master of Horror presents an all-new, original tale written expressly for the television screen. They're calling it the Storm of the Century, and it's coming hard. The residents of Little Tall Island have seen their share of nasty Maine Nor'easters, but this one is different. Not only is it packing hurricane-force winds and up to five feet of snow, it's bringing something worse. Something even the islanders have never seen before. Something no one wants to see. Just as the first flakes begin to fall, Martha Clarendon, one of Little Tall Island's oldest residents, suffers an unspeakably violent death. While her blood dries, Andre Linoge, the man responsible, sits calmly in Martha's easy chair holding his cane topped with a silver wolf's head, waiting. Linoge knows the townsfolk will come to arrest him. He will let them. For he has come to the island for one reason. And when he meets Constable Mike Anderson, his beautiful wife and child, and the rest of Little Tall's tight-knit community, this stranger will make one simple proposition to them all: If you give me what I want, I'll go away.
