Kaveri Book Service, New Delhi, 2004. Hard Bound. Book Condition: New. A significant feature of this volume is the critical analysis of archaeological and historical sources relating to the specific issues of cultural history with special reference to Andhra region. Besides the historical sources, the oral traditions and folkloristic materials provide substantial materials for the better understanding of the culture of the people on which certain historical generalisations can be made. Further, it allows for a range of historical interpretations especially regarding the legitimization of kingship and the relationship between royalty, rituals and religion.
