lh Recherche Publishing, United States, 2013. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Like millions of other kids, Jim grew up wanting to be a superhero. Unlike most of his contemporaries, however, Jim actually had the goods: a plethora of super powers that would have been the envy of any meta on the planet. But when his tryout with the Alpha League - the world's premiere group of supers - goes disastrously wrong, Jim basically becomes an outcast. Two years later, Jim is still bitter about what happened to him. However, he soon finds himself the centerpiece in an odd turn of events that gives him a second chance at his dream. But nothing is as easy as it sounds, as Jim soon discovers. Among other things, he's made an enemy of a prospective super teammate, he's being stalked by an unknown pursuer, and a shadowy cabal bent on world domination has identified him as the only obstacle to their plans. It's a lot for one super to handle, even with a smorgasbord of abilities. But if saving the world were easy, everyone would do it.
