By Edwards Gwynne

University of Wales Press. Paperback. Book Condition: new. BRAND NEW, A Cultural Journey Through Andalusia: From Granada to Seville, Edwards Gwynne, This book provides a clear and comprehensive account of those aspects of Andalusia which through the centuries have created its essential character. Other important topics include the origin and development of flamenco, the ancient sources of the bullfight and its evolution in modern times, the dramatic nature of the religious processions of Holy Week, and the political events which have affected the region in the twentieth century, from the Civil War through the subsequent Franco dictatorship to the transition to democracy in more recent times.
