Early Beginning Readers Books For Kids 4-8 I am introducing a new character into this bedtime story featuring Naughty Nico and something for the girls. Her name is Sophie and she has just moved next door to Nico. In this story she proves herself to be just as good as the boys. GIRLS RULE! The Adventures of Naughty Nico Series beginning readers books are kids books written with the early reader in mind. Some children learn to read at a very early age and other take a little longer. These books are meant for middle childhood or first grade level children early readers; however, some children at this age may find it easy to read while others may need a little help. In any case, these short story children books have action and adventure for kids, have great illustrations and are meant to keep the readers attention. Testing has found that even children as old as 15 like to read them and YOU will have fun reading them to your children or grandchildren that can not read because they are great children picture books too. The Girl Next Door The action adventure Naughty Nico childrens books continue when Nico meets the new girl next door. Being a typical 8 year old boy, he hates girls because he thinks they are SISSIES. However, Nico has met his match, and its a GIRL no less. Sophie can do anything Nico can do and BETTER! Your little girl will love reading this book because Sophie proves that GIRLS RULE! Your kids will love to read it...
