Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.(Slashings--n. Broken branches, shattered trunks, and other debris left on the ground after lumbering: The slashings lay strewn about like casualties of war, cold, gray and skeletal.) Grace Nickerson s life has been shattered by four years of war. She s desperate to return to a sense of normalcy, but soon after her father returns, he sells the farm and drags the family to a lumber camp in Michigan s northern wilderness. Living among the rough loggers is frightening enough, but then a series of accidents prove intentional. Who is sabotaging the camp, and why? Will the winter in the woods bring the healing Grace s family needs? Or will it drive a wedge between Grace and her father? The Divided Decade Collection includes three stand alone stories that view the American Civil War through three different lenses. All are set within Michigan. The Candle Star features the Underground Railroad. Blood of Pioneers illustrates the trials faced on the rural homefront after the menfolk leave for war. And Beneath the Slashings is set within a Northern lumber camp filled with returning soldiers. The books can be read out of order or read alone, depending on the theme that most interests the reader (or most closely relates to a classroom curriculum). All three have been highly acclaimed by teachers and home schoolers. Each has lesson plans and additional resources available.
