

Life on the Refrigerator Door (Main Market Ed.)

By Alice Kuipers

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Life on the Refrigerator Door (Main Market Ed.), Alice Kuipers, Life on the Refrigerator Door is told exclusively through notes exchanged by Claire and her mother, Elizabeth, during the course of a life-altering year. Their story builds to an emotional crescendo when Elizabeth is diagnosed with breast cancer. Stunningly sad but ultimately uplifting, this is a clever, moving, and original portrait of the relationship between a daughter and mother. It is about how we live our lives constantly rushing, seldom making time for those we love. It is also an elegy to how much can be said in so few words, if only we made the time to say them. A new edition of this simultaneously heartbreaking and heart-warming novel by Alice Kuipers.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
