Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Warm Bodies, Isaac Marion, 'I never thought I could care so passionately for a zombie.the most unexpected romantic lead I've ever encountered' Stephanie Meyer, author of Twilight. 'A mesmerising evolution of a classic contemporary myth' Simon Pegg. 'R' is a zombie. He has no name, no memories, and no pulse, but he has dreams. He is a little different from his fellow Dead. Amongst the ruins of an abandoned city, R meets a girl. Her name is Julie and she is the opposite of everything he knows - warm and bright and very much alive, she is a blast of colour in a dreary grey landscape. For reasons he can't understand, R chooses to save Julie instead of eating her, and a tense yet strangely tender relationship begins. This has never happened before. It breaks the rules and defies logic, but R is no longer content with life in the grave. He wants to breathe again, he wants to live, and Julie wants to help him. But their grim, rotting world won't be changed without a fight.
