Excerpt: . . . 11 original question was whether anybody could - is it possible to do it within a year. Australia has taken the lead on that and really been aggressive in this arena and we are entering into testing with them, with Australia, New Zealand, Japan, and Germany. But the testing pattern is, like, next June. So that is a very short time frame for procurement after a June couple-month test. Even the most aggressive would have a difficult time doing it within 1 year. Chairman H. Thank you. I am going to turn to Senator ATCH Chambliss, and I am going to ask Senator Chambliss if you will continue to chair the hearing and follow up with the rest of the Senators here. You might want to take this chair here. Thank you. I appreciate both of you coming. HAMBLISS Senator C. Presiding....
