## Handbook of Applied Behavior Analysis

By Wayne Fisher, Cathleen Piazza and Henry Roane

Guilford Publications, 2013. Softcover. Book Condition: New. Describing the state of the science of applied behavior analysis (ABA), this comprehensive handbook provides detailed information about theory, research, and intervention. The contributors are leading ABA authorities who present best practices in behavioral assessment and demonstrate evidence-based strategies for supporting positive behaviors and reducing problem behaviors. Conceptual, empirical, and procedural building blocks of ABA are reviewed and specific applications described in education, autism treatment, safety skills for children, and other areas. The volume also addresses crucial professional and ethical issues, making it a complete reference and training tool for ABA practitioners and students. "Fisher, Piazza, and Roane have assembled leading behavior analysts to provide a strong foundation in applied behavior analysis (ABA). Readers will gain both an understanding of the science and an appreciation for how ABA can benefit education, school psychology, autism treatment, behavioral medicine, and other disciplines. A major strength of the book is the high caliber of the contributing authors. This handbook will be a useful text for graduate courses, particularly those in the growing number of university programs focused on training individuals in advanced ABA."--Robert H. Horner, Ph.D., Alumni-Knight Endowed Professor of Special Education, University of Oregon "This...
