BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 178 x 127 mm. Language: English . Brand New. The old interruptive model of marketing doesn't work. Customers are tuning out. They no longer listen to in-your-face messages. Marketing strategist Bob Gilbreath's hot new concept, Marketing with Meaning, represents the next evolutionary step in a progression following direct marketing and permission marketing. Rather than pushing a product or service, Marketing with Meaning woos customers by offering them something of value independent of purchase. In *The Next Evolution of Marketing*, Gilbreath describes the marketing revolution now underway and the powerful forces driving it. Inside, he provides Marketing with Meaning success stories, including: Samsung's laptop and cell phone charging stations, which are now found in more than 50 airports throughout the United States; Dove's Campaign for Real Beauty and its viral video Evolution, which has been viewed more than 100 million times; Burger King's Xbox advergames, which helped boost the company's profits by 40 percent in one year. This first-ever comprehensive model for creating and managing a meaningful marketing campaign uses in-depth case studies of successful campaigns and explains how to develop and execute a solid strategy for meeting customers' needs. It also arms you with an original set of metrics for precisely measuring the effectiveness of your initiatives. *The Next Evolution of Marketing* is your guide to surviving and thriving in this marketing revolution.
