Brand New Book ***** Print on Demand *****.Multiple thousands of years ago planet Earth was devastated by catastrophic flood waters and darkness, and all life on earth perished. The earth remained in that morbid state until the Creator came down to the void planet with a six day plan of restoration and creation. The Holocene period of the history of planet Earth began on day one of God s creative acts. God created all new life-forms upon earth which exists to this day. New Creation answers the difficult questions of when Earth was restored, how we got here, and the more relevant question of when life begins. Is it possible to unlock the mysteries of time and space? Such hidden secrets that baffle the human mind for centuries are: When was the earth created? How we got here? When does life begin? Was earth ever visited by alien beings? The author investigates these controversial issues, and confidently reveals the shocking answers from the Scriptures in a challenging and thought-provoking manner. There are many interpretations to the Scriptures. Some are based on good Bible exegesis influenced by the Holy Spirit. Unfortunately many are based on personal opinions while others, to a good degree, on religious affiliation. There are indeed some erroneous interpretations resulting from human pride and misunderstanding of the Scriptures. Consequently false notions and misrepresentation of the Scriptures result. The ultimate outcome of poor Bible exegesis is that many denominations and their parishioners do what is pleasing to them. However their deeds are often in variance with the truth of the word of God. Today our modern society is faced with multiple social issues. These issues permeate though the society, and affect a large...
