AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.I was inspired to create this alphabetic phonics activity book for preschoolers from my experiences as a preschool teacher. My love for the students and the birth of my own son, Robert, has inspired me to promote these same exercises to stimulate the learning growth of Robert, who desired to read and write at a young age. This book, I created, includes different alphabetic letter sounds and recognition, reading and writing exercises. It is a great tool to help young students, who are struggling to read and write, learn at a fun and comfortable level.
